**THE LEDGER.**  
Is the largest daily paper printed in Mayville—most reliable and accurate in its reports. It gives you more reading matter than any other. It is sold at the same price as any other Mayville paper—namely, one cent. It is delivered by carrier or sent by mail. If you are looking for the most for your money, you can get it in THE LEDGER. Now is the time to subscribe—your paper will be a month's trial.

Circulation More Than 1,000 Daily.

**The Business Way!**  
The business way to advertise is to take space by the year, take pains with your advertisements in making them attractive and change them at least as often as once a month.

You may think there are seasons when you don't need to advertise. We have never seen that time.

Use the dull seasons for looking over your stock and running off that which is becoming out of style or unfashionable, and giving bargains.

If you have space by the year, it costs you no more, and you can make it profitable by converting unsalable goods into money, and re-investing the money in those things which are salable.

The Editor of The Bulletin hasn't said a word for several days that the attendance at the World's Fair.

THE Madison Car Company failed at St. Louis. Liabilities \$915,000; assets 2,000 idle men. This is a Democratic Administration, be gosh!

ONE mine company in Montana closed down and threw four thousand poor fellows out of employment. Perhaps most of them voted for a change—and got it.

THE city of Indianapolis is in default, having failed to refund \$90,000 of bonds which fell due July 1st. Let's see; isn't Indianapolis under a Democratic Administration?

BOYS, the real tight squeeze will not come until the Democratic Congress meets. Then you'll see the going by. Every man who has a dollar will hold on to it until he sees what is to be done by that heterogeneous mass of financial-incompetency.

AFTER all, there is only one way to convince a one-sided reformer of his folly, and that is to give him a chance to fit his theory to the facts. The only difficulty is that by the time he has satisfied himself the rest of the country may be on the ragged edge of ruin—Court-Journal.

And that is why your persistence in a "Tariff for revenue only" appears so strange.

In theory it is charming. In practice it is calamitous.

That, at least, has been the experience of the past.

**Take Good Care of the Children.**  
For summer complaint in children there is nothing so good as Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cures summer, diarrhoea and cholera infans, and never fails when used in time and the plain printed directions are followed. When re-mixed with water and sweetened it is pleasant to take. Twenty-five and fifty-cent bottles for sale by Power & Reynolds, Druggists.

ONE Victor '92 for \$100, good as new. POWER & REYNOLDS.

**Good Service.**  
To accommodate the large World's Fair travel the Chesapeake and Ohio train No. 2 will now run through, without change, all day between Washington and Chicago over the Chesapeake and Ohio and Big Four routes.

**Notice to Taxpayers.**  
The taxes for 1901 are now due at my office at Keith-Schneider Hardware Co. On and after the 1st day of August a per cent. penalty will be added. JAMES W. FETTERALL, Collector and Treasurer.

**Hot Weather Insurance.**  
For twenty-five cents you can insure yourself and family against any bad results from an attack of bowel complaint during the summer. Chamberlain's Colic, Cholera and Diarrhoea Remedy is a certain cure for these diseases. It costs but twenty-five cents. For sale by Power & Reynolds, Druggists.
